ADVANCED AUTOMOTIVE ENGINEERING

RESERVED TO FOREIGN/INTERNATIONAL STUDENTS REQUIRING AN ENTRY VISA IN ITALY
(class LM-33)

Academic Year 2020-2021

- ✚ The **ACCESS** to the course is restricted to a limited number. There are **12 places available (two for each course curriculum)**.
- ✚ The course is entirely delivered in **English Language**.
- ✚ The required **STUDY QUALIFICATIONS** for enrollment is: Bachelor’s Degree, Three-year University Diploma, Specialist Degree or Master’s Degree, pursuant to MD 509/1999 or MD 270/2004, Five-year University Degree (before MD 509/1999), obtained with minimum score of 95/110 or in any case not lower than 86% of the highest score, for study qualifications obtained abroad and considered equivalent. For further information refer to the complete call for application for admission published on the webpage: <http://www.international.unimore.it/bandilan.html>.
- ✚ The **ASSESSMENT OF THE QUALIFICATIONS AND KNOWLEDGE REQUIRED FOR THE ADMISSION** will be carried out by an examining committee appointed by the “Enzo Ferrari” Department of Engineering. By 22/05/2020 the results will be published on the webpage <https://www.unimore.it/bandi/StuLau-Avvisi.html>.
- ✚ The **APPLICATIONS FOR ADMISSION** must be submitted online only between 01/04/2020 to 15/05/2020 at 13:30 pm (local time) by accessing the website <http://www.esse3.unimore.it>. All candidates shall make a non-refundable contribution of € 55,00 to cover the costs. Payment shall be made BY 15/05/2020.
- ✚ The **INDIVIDUAL INTERVIEW** in English, which shall take place via an institutional videoconference, aims at assessing the technical preparation required to attend the Master’s Degree Programme. Suitable candidates will receive an e-mail to the address provided in the application, communicating the schedule of the interview, the date and time (local), starting from 03/06/2020. **Interviews will end by 05 June 2020.**
- ✚ The **RANKING** for each curriculum course will be published by 18/06/2020 on the webpage <http://www.unimore.it/bandi/StuLau-grad2.html>.
- ✚ The **PRE-ENROLLMENT** must be completed from the ranking publication date and **by June 26th, 2020 at 1:30 p.m. (local time)** by accessing the website www.esse3.unimore.it and clicking on “Enrolment”, following the instructions provided in the “Online enrolment” guide and available on the webpage <http://www.unimore.it/servizistudenti/guideesse3.html>. The initial payment of 159,05 euro shall be considered as a deposit/down payment of the enrolment fees to the study programme.
- ✚ The **ASSIGNMENT** of vacant places will be notified through timely communication, by the personnel in charge of the procedure, in which pre-enrolment procedure and timing will be described.

The person in charge of the procedure is Giuseppe Milano, who is responsible for the Registrar's Office. The responsible office is the Registrar’s Office of the “E. Ferrari” Department of Engineering, ADVANCED AUTOMOTIVE ENGINEERING programme, tel. 059/2055637; fax: 059/2055648, e-mail: segrstud.ingegneria@unimore.it
