Announcement Abstract
for admission to the open access master’s degree programme provided in English in
ELECTRONICS ENGINEERING - (class LM-29)

Academic Year 2019-2020

- Electronics Engineering is an OPEN ACCESS programme for which the evaluation of previous ability is required

- The programme is provided ENTIRELY IN ENGLISH

- The QUALIFICATIONS required for the enrolment are the High School Diploma and the University Degree (first cycle degree) or a suitable recognized alternative academic qualification. For more information on paperwork procedures read the complete call for applications at the website http://www.international.unimore.it/bandilan.html

- The EVALUATION OF PREVIOUS ABILITIES is compulsory and is based on the assessment of the student’s qualifications and an interview in English

- The APPLICATION FOR EVALUATION OF THE STUDENT’S PREVIOUS ABILITIES must be submitted online by singing in at www.esse3.unimore.it:
  - We highly recommended to submit the application for evaluation as soon as possible in order to meet additional learning requirement by December 13th 2019
  - All students planning to obtain a suitable qualification before the enrolment deadline may also apply for the evaluation

- The RESULTS of the evaluation procedure will be available at the website http://www.unimore.it/bandi/StuLau-esiti.html

- Students are required to OBTAIN THE REQUIRED TRAINING CREDITS by 13 December 2019, according to the provisions of the examining Board

- The ENROLMENT takes place from 10 July to 20 December 2019. In order to enrol:
  - applicants with Italian qualifications must enrol entirely on-line
  - applicants with foreign qualifications must submit the required documents to the Registrar’s Office (Segreteria Studenti). The enrolment guide is available on-line at https://www.unimore.it/servizistudenti/vediallegato.html?al=1100

- For MORE INFORMATION please visit the complete call for applications at http://www.international.unimore.it/bandilan.html or refer to the programme reference person, Prof. Roberto Zanasi roberto.zanasi@unimore.it or to the Coordinating Academic Office tutor.dief@unimore.it
