No personal communication will be provided.

Summary

1. Purpose

This Call for Applications is addressed to non-EU applicants with a foreign study qualification who are residing abroad and are applying for a Visa at the Italian Embassy/Consulate.

Admission to the Master's Degree in Electronics Engineering – (LM-29 class) is subject to an online application for the evaluation of the academic background to be submitted by each applicant; the assessment will take place by **31 March 2026** as based on the procedure described in the present Call for Application.

Enrolment must be completed no later than **22 December 2026**

Italian applicants, EU applicants (regardless of their residence), and foreign applicants who are legally residing in Italy, in possess of a foreign study qualification eligible for the enrolment in the Master's Degree Programme in Electronics Engineering (LM-29 class), must follow the procedure described in the Call for Application specifically issued for them, which will be published, indicatively in May 2026 on the website https://www.unimore.it/en/university/calls

2. Required qualifications and knowledge

Applicants are required to possess:

    a) academic degree, Bachelor level, deemed suitable, obtained by 30 April 2026 with a grade higher than 3/4 of the maximum score (or to be obtained by 30 April 2026 with an average of the passed exams higher than 3/4 of the maximum score)

b) Level B2 (Common European Framework of Reference) language certificate, or alternatively a declaration by the University, in which the applicant is enrolled, confirming the required language skill level.

<u>Currently valid certificates</u>

- International certifications recognised by UNIMORE according with: https://www.cla.unimore.it/site/en/home.html
- University English exams providing B2 level, with a declaration issued by the home University as documental evidence;
- Bachelor degree in English;
- English mother-tongue countries of origin (foreign or Italian citizens who are fluent in their language of origin because of their family or language experience shall be considered of foreign mother tongue).

The requirements and the knowledge will be verified by assessing the university career and, in case, by an interview. Applicants are required to submit an online application in order to be assessed.

3. Assessment of the academic background

An Examination Board, appointed by the Interclass Board of the Master's Degree in Electronics Engineering of the "Enzo Ferrari" Engineering Department, will evaluate academic background by assessing the knowledge of the basic subjects (Mathematics, Physics, Information Technology) typical of Engineering and of those typical of Information Engineering, with specific reference to the basic knowledge of Electronics. Such knowledge will be verified also by assessing the university career; an interview may also be necessary.
Based on specific procedures provided in the Educational Regulation of the Master's Degree Programme in Electronics Engineering, if the study programme is not perfectly consistent with the requirements, the Board will evaluate the need to integrate the curriculum with an extra programme borne by the student to be successfully completed by 30 April 2026.
The study qualification obtained abroad must have a grade higher than the 3/4 of the maximum score in the system of the home university.

For potential future students without suitable documentation for certifying their level of knowledge upon entry, the Language Center of the University of Modena and Reggio Emilia offers the possibility of taking a B2 level test remotely. Enrolment in the English test is subject to the application for the degree course of interest. Candidates will therefore be able to register for an English test only after having applied for the degree course of their choice. All information relating to the B2 test offered by the Language Center is published at the following link https://www.cla.unimore.it/site/en/home/language-tests/english-b2-test-for-masters-degree-courses-taught-in-english.html

The requirements and the knowledge will be verified by assessing the university career and possibly holding and interview. Applicants are required to submit an online application in order to be assessed.

4. Submitting an online application for evaluation

To submit their application, the applicants must:

- register on the

To be considered for selection, all applicants to this program must pay a fee of 20,00 EUR.
The fee in NOT REFUNDABLE and the Payment must be made by 31 March 2026.
Payment must be made through the PagoPA circuit only, accessible from the "Fees" section of your personal page on Esse3. Please note that commission amounts may vary depending on the chosen Payment Service Provider (PSP). As indicated in the information on the website: Paying university tuition fees | Università degli Studi di Modena e Reggio Emilia, the payment procedure consists of logging in to Homepage area pubblica, Università di UNIMORE, going to the "Fees" item to view the amounts due and accessing the pago PA circuit.

Pay attention to deadlines

IMPORTANT: the date reported on the electronic payment receipt (RT) is the only valid date considered by the University as Payment date. Submitted Payment whose date on the payment receipt (RT) is later than 31/03/2026 will not be considered valid for the purposes of evaluating the admission application.

PLEASE NOTE: according to the "AgID" (Digital Italy Agency) guidance, payment transaction could take place one day after the payment was made. This may prevent the evaluation of the procedure in case of a last day Payment.

5. Amending or re-opening an online application for evaluation

Should the applicant need to re-open the application and correct the data or add extra documents before the deadline of 30 April 2026, send an e-mail to the Registrar's Office segrstud.ingegneria@unimore.it

6. Assessment Results

The Examination Board evaluates the qualifications and the provided documental evidence. The result of the assessment will be made known to students by means of a notice published at https://siaweb.unimore.it/public/valutazionilm/EsitiE.aspx?aaid=2026&testid=1&en=1 by logging in with the credentials issued when registering on the ESSE3 portal and by email to the address indicated during registration. The above-mentioned page will show one of the following results:

- PASS: the student's background knowledge is deemed suitable, and the curricular requirements are met; consequently, if the study qualification has been awarded, the applicant may complete the final enrolment in the programme by following the instructions outlined in Section 7.

– ADDITIONAL REQUIREMENTS: after considering the admission requirements and the initial background, the Board will indicate any weaknesses (so called educational debt) and the means to comply with them. Any educational debt shall be complied with before the enrolment and in any case by 31 July 2026 to ensure that the applicant has enough time to enrol by 22 December 2026.

- FAIL: in this case, the Board will state the reasons for evaluating the student's academic background as not suitable, or the curricular requirements have not been met. In this case, the candidate will not be allowed to enrol.

- INCOMPLETE APPLICATION: in this case, the Board decides that no assessment can be made as the required documentation is incomplete, the application will be labelled as "incomplete documentation" and it will be automatically reopened from the following day with status "not final application". The applicant shall attach the missing documents and finally close the application for a new assessment.

The following it may also appear:

- NOT FINAL APPLICATION: this in the case the student has not explicitly confirmed the application by answering YES in the specific field "Do you want to submit your application now?"; hence, the application cannot be assessed.

- FOR ASSESSMENT: this is in the case the application has been submitted by the applicant, but

the examination Board has not yet assessed the application.

The Examination Board members are:
- Prof. Giovanni Franceschini, email: giovanni.franceschini@unimore.it
- Prof. Mattia Borgarino, email: mattia.borgarino@unimore.it
- Prof. Carlo Augusto Grazia, email: carloaugusto.grazia@unimore.it

7. Enrolment procedure (degree programme)

Foreign citizens residing abroad and applying for a visa must follow the provisions and deadlines relating to academic year 2026-2027 indicated in the circular of the Ministry of University and Research on the website https://www.studiare-in-italia.it/studentistranieri/ relating to access to degree programmes. They must also comply with the annual definition of the quota reserved for them, approved by the University.

For the Academic Year 2026/2027 the quota is of no. 30 places reserved to non-EU students applying for a visa.

7.1 Pre-enrolment on Universitaly for the purpose of obtaining a student visa

As stated in the ministerial circular for access to study programmes, Non-EU applicants residing abroad and requesting a visa must pre-enrol on the UNIVERSITALY website by clicking on the link https://universitaly-private.cineca.it/index.php/login

The pre-enrolment application is automatically sent to UNIMORE for validation. UNIMORE will notify the Italian Consular Authority in the event of admission to the study programme.

Applicants must upload the following documents on the Universitaly website:

- the passport
- a passport photo

Any further documents relating to their academic qualification may also be attached, including:

- **Certificate of the original title of study with its translation**
- **Declaration of value,** issued by the Italian Embassy/Consulate in the country to which the school issuing the qualification belongs
  or, alternatively,
- **Statements issued by ENIC-NARIC centres** such as the comparability certificate issued by *the Centro di informazione sulla mobilità e le Equivalenze Accademiche* (CIMEA) – website https://www.cimea.it/EN/ For further information, visit the website https://www.cimea.it/EN/pagina-attestati-di-comparabilita-e-verifica-dei-titoli
- **The list of passed examinations in Italian or English**
- **Any language certifications issued in English**

Please contact the reference Embassy/Consulate as soon as possible to check the requirements and the documents needed for the visa to be issued.

7.2 Enrolment

Enrolment to the Master's Degree Programme in Electronics Engineering - Ingegneria Elettronica (LM-29 Class) is reserved to "suitable applicants", i.e. those meeting the following requirements:

- have completed the pre-enrolment procedure on the Universitaly website
- have obtained a student visa for Italy in time for the enrolment.

Enrolment: from **8 July to 22 December 2026.**

The office responsible for enrolments is the Registrar's Office for the "Enzo Ferrari" Engineering Department is located in via Campi no. 213/b, Modena. Email: segrstud.ingegneria@unimore.it
