

UNIMORE

UNIVERSITÀ DEGLI STUDI DI
MODENA E REGGIO EMILIA

**CURRICULUM CHANGE REQUEST PROCEDURE:
MASTER'S DEGREE COURSE IN ADVANCED AUTOMOTIVE
ENGINEERING
A.A. 2025/2026**

Notice is hereby given that, following the conclusion of the enrolment procedures described in the Call for Applications to the Master's Degree Course in Advanced Automotive Engineering, A.A. 2025/2026, the following places are available:

| | |
|----------------------------------|-----------|
| Advanced Motorcycle Engineering | 4 |
| Advanced Powertrain - Bologna | 9 |
| Advanced Powertrain - Modena | 2 |
| Advanced Sportscar Manufacturing | 0 |
| High Performance Car Design | 2 |
| Off-Highway Vehicle Engineering | 14 |
| Racing Car Design | 0 |

As stated in the call for applications which can be viewed at the following link:

<https://www.unimore.it/it/ateneo/bandi/call-applications-international-inter-university-masters-degree-programme-advanced>

students who are already enrolled and are interested in moving to a different curriculum must send the curriculum change request form published on this page to the Student Secretariat at segrstud.ingegneria@unimore.it by 23 January 2026.

It is possible to submit the request for any AAE curriculum, regardless of the places currently available, as the changes requested under this procedure may result in free places even in curricula that are currently full. However, it is possible to send a request for just one AAE curriculum.

The allocation of places is based on the position in the admission ranking list and is formalised by the Board of Studies by comparing the number of requests with the places available.

Modena, 13 January 2026

The person in charge of the procedure
(Dott. Milano Giuseppe)
