OVERVIEW OF THE MAIN STEPS

From the website www.esse3.unimore.it:
submit an application for assessment
by **8 October 2026**

1. Introduction

All applicants interested in the Master's Degree in **Languages and Translation for the Arts and Media (LITRAM)** must submit their APPLICATION FOR ASSESSMENT **by 8 October 2026** in accordance with the procedures indicated in this call for applications and undergo the verification of their academic background which will be carried out **based on their qualifications and through a remote interview**.

It is possible to submit an application for the assessment of qualifications and language skills even before obtaining your degree, provided that the degree is completed by the enrolment deadline.

Applicants holding the following qualifications will be eligible to enrol in LITRAM:

- a Bachelor's or at least three-year degree, or another foreign qualification recognised as suitable, as indicated in point 2 of this call.
- meet curricular requirements as per section 2 in this call for applications
- a suitable academic background in the two languages being studied

The selection of applicants with an Italian study qualification involves:

- the assessment of previous academic career and, in particular, the POSSESSION OF THE CURRICULAR REQUIREMENTS indicated in paragraph 2 of this call for applications, possessed **by the date of submission of the application for assessment**
- assessment, via a remote interview, of LANGUAGE SKILLS in the TWO FOREIGN LANGUAGES specified in the application form (to be chosen from English, French, German or Spanish)

The selection of applicants with a foreign study qualification involves:

- the assessment of the academic career and the documentation enclosed with the application.
- possession of language certificates in two foreign languages of their choice from among English, French, German, or Spanish (or documentation proving such proficiency) and, in addition, possession of a certificate in Italian.

The contact person for the study programme is Professor AnGela Albanese, email: angela.albanese@unimore.it.

2. Curricular requirements

2.1 Students with an Italian study qualification

The curriculum requirements are as follows:

- a three-year degree, preferably in the L-11 Modern Languages and Cultures or L-12 Linguistic Mediation classes under Ministerial Decree 270/04, or in the equivalent classes 11 and 3 of Ministerial Decree 509/99, or an old-system degree in the linguistic field. **Applicants may be admitted to the assessment of language skills even before obtaining their degree**, provided that the degree is completed by the enrolment deadline, i.e., **by 22 December 2026**.
- possession, by the date of application, of at least 18 ECTS credits (or equivalent to 18 ECTS) for each of the two chosen languages (English, French, German, or Spanish). Reference Scientific Disciplinary Sectors (SDS) are: L-LIN/04 (Language and translation - French), L-LIN/06 (Hispanic language and literatures), L-LIN/07 (Language and translation - Spanish), L-LIN/12 (Language and translation - English), L-LIN/14 (Language and translation - German).

Without this requirement, applicants cannot take part in the language skills assessment interview.

2.2 Students with a foreign study qualification

For holders of a foreign qualification, the board in charge assesses the academic curriculum indicated in the application and the relevant attached documentation and, in particular, verifies whether the applicant, by the application deadline, i.e. **by 8 October 2026**, has carried out teaching

activities not only in the two foreign languages (available languages are English, French, German, Spanish) for which he is requesting assessment, but **also in the Italian language**.

3. Assessment of academic background

3.1 Students with an Italian study qualification

All applicants with Italian qualifications who meet the curricular requirements must undergo an **interview** to ascertain their language skills in the TWO FOREIGN LANGUAGES indicated in the application form (**available languages are English, French, German, Spanish**), which will be the two curricular languages in the degree programme.

The interviews will be conducted **remotely** and will take place during the following periods:

20 to 24 July 2026 - 14 to 18 September 2026 - 12 to 19 October 2026

As the students submit their applications in Esse3, the board in charge, after assessing the attached documentation and verifying that they meet the curricular requirements, will invite the applicants to an **interview** (one interview for each language) with the lecturers in charge, providing the necessary indications for the connection.

Applicants who do not meet the curricular requirements are not admitted for interview.

The interviews in the two foreign languages chosen as subjects of study **will focus on the following topics**: educational background, motivation for choosing the programme, with particular emphasis on the applicant's interests in the world of cultural industry and translation. Students must demonstrate upper-intermediate to advanced language skills, equivalent to C1 (CEFR) in one language and B2 (CEFR) in the other language.

Promptly inform the degree programme coordinator, Prof. Angela Albanese ([e-mail: angela.albanese@unimore.it](mailto:angela.albanese@unimore.it)), of any issues in case applicants do not have the necessary equipment to take part in the remote interview, so that appropriate solutions can be identified.

Applicants who are deemed "eligible" may proceed with enrolment if they have already obtained a first-cycle degree, or as soon as they obtain it, **and in any case no later than 22 December 2026**.

3.2 Students with a foreign study qualification

Academic background is assessed positively and, therefore, applicants who meet all of the following requirements are eligible for enrolment:

- a) language proficiency certification in the two foreign languages indicated in the application form (chosen from English, French, German, Spanish), at least level B2 in one language and at least level C1 in the other language.
or, alternatively,
proficiency in the two foreign languages must be evident from the applicant's course of study or demonstrated through statements issued by their home university (University Language Centre or relevant Department), certifying the required levels.
- b) certification of language proficiency at least at B2 level in Italian.

Level B2 certification in Italian is essential if the language skills and level required are not clearly evident from the study programme.

Applicants who are deemed “eligible” may proceed with enrolment if they have obtained the study qualification required.

4. Submitting an online application

7. Assessment results

The Examination Board, appointed by the Degree Programme Board assesses the qualifications and documentation attached to the application for assessment in the order in which they are submitted. The outcome of the assessment is made known to students by means of a notice published on the website at <https://siaweb.unimore.it/public/valutazionilm/Esiti.aspx?aaid=2026&testid=65&it=1> or at the page <https://www.unimore.it/it/ateneo/bandi/2026-litram>

The above page may display one of the following results:

- FOR ASSESSMENT: the application has been submitted by the applicant, but the Board in charge has not yet assessed it.
- IDENTIFIED LEARNING GAPS: once the Commission has verified that the student meets the curricular requirements, they will be invited to take the interview in the two languages indicated in the assessment application
- NON-FINAL APPLICATION: the student has not explicitly confirmed the application by selecting the specific field "*Do you want to submit your application now?*". In this case, the application is in draft form and the applicant cannot be assessed.
- INCOMPLETE APPLICATION: the Board decides that the evaluation of the past career cannot be carried out because documentation is missing. If "incomplete application" is displayed, the application

is automatically reopened and returned to the status of “*non-final application*”. The applicant shall attach the missing documents and finally close the application for a new assessment in any case **by 8 October 2026**.

On the above page, after completing the remote interview, one of the following outcomes may appear:

- **PASS:** the applicant meets the curriculum requirements and has passed the verification of academic background. **The applicant may enrol** by following the instructions in section 8, if the qualification has been obtained.
