applicants may submit a **declaration issued by the home University** (Language Centre or Department), confirming the required language skill level

*or, alternatively*

take a **level test** at the University Language Centre of UNIMORE, specifically scheduled for students who have applied for the ADEM assessment. Further information on how to book the test is available on the Department website <https://www.economia.unimore.it/it>

The Board exempts applicants from presenting the above-mentioned certifications if they have obtained at least **6 ECTS credits in English language teaching**, or if their language competence is clearly inferred from their curriculum (applicants who are native speakers of English, a university degree in English, passing curricular examinations certifying B1 level, etc.).

#### PLEASE NOTE

Applicants who, not being exempt, must present a language certificate but do not attach it to the evaluation request by **11 September 2026** because they are waiting to obtain it, will initially be assigned the status 'DEBITI RILEVATI' (PENDING REQUIREMENTS).

Then,

- the result of any level test taken at the University Language Centre will be automatically acquired by the examining board, which will update the admission assessment for the degree programme.
- international language certification issued by certifying bodies, obtained after **11 September 2026** and

therefore not attached to the application, must be sent to [clm\\_analisidatieconomiamanagement@unimore.it](mailto:clm_analisidatieconomiamanagement@unimore.it) no later than **16 December 2026**, in time to update the eligibility for the degree programme and allow enrolment by **22 December 2026**.

## 2.2 Students with a foreign study qualification

For those with a foreign qualification, enrolment in ADEM is conditional on the evaluation of the study curriculum indicated in the application and the accompanying documentation.

Applicants are required to have obtained or achieve by **22 December 2026**, a university degree (Bachelor's), deemed suitable, and have acquired basic knowledge in the subject areas described in section 2.1 of this call for applications.

## 3. Assessment of academic background

### 3.1 Students with an Italian study qualification

The assessment of the suitability of the preparation of graduates is based on a combination of the average mark obtained in the degree programme attended and verification of possession of the minimum number of credits obtained in the mathematical-statistical and economic-business disciplines indicated in section 2.

Possession of the requirements set out in section 2 (at least a three-year degree, credits in the specified scientific disciplines, knowledge of English at least at B1 level) is mandatory for admission to the degree programme.

In addition, applicants with an Italian qualification **with a weighted average** mark of **24/30 or higher** are automatically deemed to be adequately prepared and admitted to the degree programme.

In the case of applicants with an Italian qualification **with a weighted average** mark of **less than 24/30**, the Examination Board, on the basis of the overall curriculum vitae, may either deem the applicant unsuitable or invite him/her to **a remote interview**, aimed at further assessing their academic background. Recommended topics and texts for preparation are given in the **Appendix**.

The first interview will take place on **10 September 2026** and the second and last one on **17 September 2026**.

### 3.2 Students with a foreign study qualification

For applicants with a foreign qualification, the Board assesses the curriculum vitae of studies to check whether the applicant has obtained a mark that can be equivalent to an Italian mark of **24/30**.

The Board, on the basis of the overall curriculum, may either judge the student *unsuitable* or invite him/her to **a remote interview** aimed at further assessing his/her academic background. Recommended topics and texts for preparation are given in the **Appendix**.

The first interview will take place on **10 September 2026** and the second and last one on **17 September 2026**.

### 5.1 Applicants with an Italian study qualification

Before the evaluation results:

Should it be necessary to re-open the application to correct data or add new documentation, in any case by **11 September 2026** and before being evaluated, you can send an email to the degree programme's Chair, Professor Bernardo Balboni, email [bernardo.balboni@unimore.it](mailto:bernardo.balboni@unimore.it) or to the degree programme institutional e-mail [clm\\_analisdatieconomiamanagement@unimore.it](mailto:clm_analisdatieconomiamanagement@unimore.it)

### 5.2 Applicants with a foreign study qualification

Before the assessment results:

Should it be necessary to re-open the application to correct data or add new documentation, in any case before the deadline of **11 September 2026** and before being assessed, please send an email to the Registrar's office [segrstud.economia@unimore.it](mailto:segrstud.economia@unimore.it)

## 6. Assessment results

The selection board, appointed by the Council of the “Marco Biagi” Department of Economics, examines the qualifications and the documentation attached to the application for the admission. Applications are assessed in the order in which they are submitted. The assessment results will be made available to applicants on <https://www.unimore.it/it/ateneo/bandi/2026-adem> and also on <https://siaweb.unimore.it/public/valutazionilm/Esiti.aspx?aaid=2026&testid=99&it=1>

The results will be published on the page above **by 14 September 2026** as follows:

- **PASS:** the applicant's academic background is appropriate. Students may enrol if the qualification has been obtained according to the procedures indicated in point 7. Enrolment.
- **CREDIT OBLIGATIONS:** even if the curricular requirements are met, the committee identifies deficiencies in the academic background and invites the student to undergo an interview. Passing this test is mandatory for applicants to be eligible for enrolment in the degree programme.  
Or  
Applicant's academic background is considered appropriate, but s/he is awaiting to obtain the international English language certificate or to take the level test at the CLA of UNIMORE.
- **FAIL:** the student does not meet the curriculum requirements and the evaluation board indicates why the personal preparation has been considered unsuitable. In this case the applicant will not be allowed to enrol.
- **INCOMPLETE APPLICATION:** the evaluation board states that no assessment can be made as some mandatory documentation is missing. In this case, the online application is automatically opened again so that the applicant can attach the missing documents **by 11 September 2026** and finally close the application for a new assessment.
- **APPLICATION NOT FINAL:** the student has not confirmed the application by clicking on the field “*explicit confirmation of the validity of the application*” and therefore it cannot be assessed.
- **APPLICATION INCORRECTLY SUBMITTED:** the application for assessment is not taken into account because the student holding an Italian study qualification has not attached the documentation relating to his/her own studies by opening the link <https://siaweb.unimore.it/private/valutazionilm/default.aspx?aa=2026&TestId=99>
