## 6. Assessment Results

The selection board, appointed by the Council of the "Marco Biagi" Department of Economics, examines the qualifications and the documentation attached to the application for the admission. Applications are assessed in the order in which they are submitted, on a monthly basis. The assessment results will be made available to applicants on <https://www.unimore.it/it/ateneo/bandi/2026-RL> and also on <https://siaweb.unimore.it/public/valutazionilm/Esiti.aspx?aaid=2026&testid=101&it=1>

On the pages indicated, which will be updated monthly until **16 December 2026**, one of the following outcomes may be displayed:

- PASS: the student's academic background is deemed suitable and the applicant may complete the enrolment in the programme by following the instructions outlined in 7. Enrolment, if the qualification has been obtained.
- IDENTIFIED LEARNING GAPS: the committee identifies shortcomings in the academic background and indicates the appropriate in-depth studies to be carried out, taking into account the indications contained in this call for applications and, in particular, what is set out in the appendix. Students are invited to attend an **interview**, which must be passed in order to enrol on the programme. In any case, the interviews will end by **16 December 2026** in order to ensure the possibility of enrolment by **22 December 2026**.
- FAIL: it is the result of not meeting the curricular requirements and/or deficiencies not overcome in the initial academic background. In this case, applicant will not be allowed to enrol.
- INCOMPLETE DOCUMENTATION: if the Board decides that no assessment can be made as the required documentation is incomplete, the application is labelled as "incomplete documentation" and it is automatically reopened and labelled as "not final application". It will be up to the applicant to enclose the missing documentation and finally close the application by the deadline of **10 December 2026**, for a new evaluation.
- NOT FINAL APPLICATION: if the student has not explicitly confirmed the application by answering YES in the specific field "*Do you want to submit your application now?*".
- APPLICATION INCORRECTLY SUBMITTED: the application for assessment is not taken into account because the student holding an Italian study qualification has not attached the documentation relating to his/her own studies by opening the link <https://siaweb.unimore.it/private/valutazionilm/default.aspx?aa=2026&TestId=101>
